My special thanks are due to Mr. N.D.Dickson, Director, Planning, Urban Development Authority who was a accessible at all times without appointments encouraged me in number of ways in completing this study devoting his valuable time for long discussions, expressing ideas, suggesstions etc. to make the study comprehensive.

I remember with gratitude Professor M.W.J.G.Mendis (Prof. Willie Mendis) the Vice-Chancellor, University of Moratuwa, who encouraged me to follow the M.Sc. Further I very much appreciate the assistance extended to me by Mr. Wijeratne Banda, former Secretary, University Grants Commission.

My thanks are also due to the officials of the Urban Development Authority, Municipal Councils, Colombo, Dehiwala - Mount Lavinia, Urban Councils, Tangalle, Panadura, Kalutara, Town Council, Maharagama who spent their time in answering my questions and collecting information and data in this study.

It is with great appreciation I record my indebtedness to my wife Kumari for " leaving me out " from all the domestic troubles and helping me in addition to her own restless practise as a Lawyer as I was always busy with this study.

The two little members of my family Ama, my loving daughter and Nayake, my loving son also helped me encouraging me in various ways though they know a very little about the world.

Finally I would never forget to thank Miss Chitra Mala de Alwis and Mr. M.S. Gunasekera who took all the pain in typing this dissertation neatly and accurately within a very short time.
