Acknowledgement

The study owes much appreciation to many people who have contributed in numerous ways to its success. They supported me in hours of my need. It is my foremost due to pay my gratitude to Dr. R.Ramezdeen, Head of the Department of Building Economics, for his correct guidance on the topic, and his cortical insights on the subject. Moreover, his valuable advices throughout the research as my supervisor helped me to complete the desperation beyond the expected limits.

I wish to thank Mr.K.A.Jayarathne, President and. Mr H.M.U Chularathne, Executive Director of SEVANATHA Urban Resource Center for providing valuable information and enough materials to compose the documentation and also exposing me their own experience on managing solid waste at local authority level.

I would like to extend my sincere thanks to Development Officer of Matale Municipal Council, Community Development Assistant of Colombo Municipal Council, Development Officer of Horana Pradeshiya Sabha, and CPHI of Dickwella Pradeshiya Sabha who were very supportive and co-operative .

My thanks go to Mr Lasitha Udaya Kumara, Project Manager of SEVANATHA Urbana Resource Center

Finally, I would like to thank, my loving wife, Vindhya Nadeeshani, for her kind encouragement.
