Acknowledgements

It is with deep sense of gratitude I remember those who were the driving force in making this essay a reality.

My warm thanks are extended to Dr. Harsha Munasinghe senior lecturer Department of Architecture, University of Moratuwa for his valuable advice and Guidance in structuring the study and setting me in track.

I am very grateful to Architect Jayanath Silva for his valuable guidance and advice in the stages of the study.

My warm thanks are extended to Architect Suchith Mohotti and Architect Madawa Premaratna for their generous cooperation in carrying out my case studies.

I am indeed thankful to all the friends in my batch for their suggestions, advice, help, kind concern and encouragements.

My parents, Brother and ever loving Sandu are reminded with a feeling of profound gratitude for all the help encouragements and patience they have shown during the preparation of the study.
