3.2.a Selection of Site
3.2.b Designing in the Site
3.2.c Construction

3.2.1 Examination of the Influences of Superstitions and Beliefs on Buildings

3.2.1.a Monastic Complexes
3.2.1.b Residential Buildings

Conclusion

Bibliography
ACKNOWLEDGEMENT

This dissertation would never have been possible without the valuable support given by many to whom I am indebted and I sincerely acknowledge it.

For the encouragement given for the selection of this subject at the inception, to Archt. Vidura Sri Nammuni, Senior Lecturer, Department of Architecture.

For the guidance, encouragement and valuable comments given throughout the study to Dr. Samitha Manawadu, Senior Lecturer, Department of Architecture.

For the guidance, and the valuable discussions which led the study to its purpose, to Archt. Nihal Bodinayake.

For the interest shown towards this study and for typing the text, to my uncle, Mr Henry de Mel.

For love, guidance and understanding and encouragement given me throughout the study, to my parents and friends.

Finally, to everyone who assisted me to present this dissertation.
