ACKNOWLEDGEMENT

Let me record here my heartfelt gratitude to each and everyone maintained below, for their help to make dissertation success.

-To Dr. S. Manawadu , Senior Lecturer, Dept. of Architecture, University of Moratuwa, who gave me freedom to pressure a different subject area, with his comments and criticisms which immensely to built up confidence.

-To Archt. Ravin Gunaratne for showing me gravity of topic.

-To Prof. Oliver Abeynayake, Ven. Rathnapura Rahula Thera, Lecturer Sasni Amarasekera and Lecturer Yamuna Herath of Pali and Buddhist University, Homagama, for their guidance.

-To my friends Sewwandi, Thushani, Sithara, Mihiri, Dinushi, and Mr. Thilakasiri who helped me for places visited.

-To Dushanthi, Ruwini and Attanayake, who provided materials.

University of Moratuwa, Sri Lanka
Electronic Theses & Dissertations

-Special thanks for Pushpani and Nilakshi for their patient help, encouragement and spending their time.

-To my parents, my brother Nilanga and his friends Gayan and Mohan, who helped me in many ways.

-Finally all the people who were supportive in the places visited and the staff of Dept. of Architecture, University of Moratuwa.
