LIST OF ANNEXES

	Annexes	pg.
ANNEX A:	General standards criteria for the discharge of industrial effluent into inland surface waters	63
ANNEX B:	Tables of data collected on different parameters for general characteristics of industrial effluent (B -1 to B-8)	64
ANNEX C:	SLS standard for synthetic liquid detergents	67
ANNEX D:	The process flow diagram of proposed industrial effluent treatment plant	75
ANNEX E:	Design data of the proposed industrial effluent treatment plant	76
ANNEX F:	Descriptions of pressure filter, micron filters and UV sterilizer	79
ANNEX G:	Calculation of financial cost benefit analysis	96
ANNEX H:	Summery of MSDSs	102
